

get\_levels

```
graph LR; A[get_levels] --> B[is_nominal]; A --> C[is_ordinal];
```

A diagram illustrating a relationship between three variables. On the left, a black rectangular box contains the text 'get\_levels' in white. Two blue arrows originate from the right side of this box. The upper arrow points to a white rectangular box with a black border containing the text 'is\_nominal'. The lower arrow points to another white rectangular box with a black border containing the text 'is\_ordinal'.

is\_nominal

is\_ordinal
